While the Board cannot take action on the issues presented, the Board will listen to comments and may ask that the issue be placed on a subsequent agenda for possible action by the Board. The Chairperson of the Board will determine the amount of time allotted for public comment. A decision on whether to hold a meeting in executive session is in the discretion of the Presiding Chair pursuant to Section 2-3-203 MCA.

The Screening Panel previously found reasonable cause to believe that the following individuals have committed acts or omissions justifying disciplinary action and authorized the Department to file and serve a Notice of Proposed Board Action against their licenses. These proposed orders are a result of litigation between the Department, the licensee, and/or licensee's attorneys. It is the Adjudication Panel's charge to consider whether to accept or reject the proposed order, in lieu of a contested case hearing.
